. The completed assignment should be delivered in required numbers/quantity through the device handed over to you for the data collection task in complete quantity and data be synced on daily basis so that data collected in the device is sent directly into the secured server. The device location should be always in active and GPS be captured live as communicated at the above stated briefing. Non-Compliance of agreed schedule may result in non-acceptance and may to rejection of the assignment in part/full without any further reference/intimation to you. This is not an employment but merely an assignment to you as a freelancer, and you are free to pursue any other vocation of your choice or work for any other person, and that no request from you for permanent/temporary employment in the Company shall be entertained in future. The Company reserves its right to terminate your assignment without showing any reason thereof.

I solemnly declare the information mentioned herein (both sides of the page) is true and correct to the best of my beliefs and I agree with all terms and conditions.
