Safe in India Foundation ("SII") provides free of charge assistance to injured workers, mostly in the auto-sector supply chain, currently in Gurugram-Manesar-Faridabad region, with their ESIC healthcare and claims, and advocates for national improvements in the auto sector safety and ESIC. SII is a civic initiative of alumni of IIM91. Its activities are funded by several supporters and donors concerned about the well-being and productivity of millions of Indian workers (Our [Wall of Supporters](#)). SII has no income expectations or commercial partnerships. The co-founders do not take any salaries from SII.
