Hi Utkarsh,

Good day!

Thanks for your patience on this one. We are fully feasible here at CPI of USD 15.

Please let us know if anything else is required from our end to move this forward.

****The CPI is exclusive of taxes, and it will vary in case of any change in IR. We have quoted on the basis that the survey doesn't contain more than 2-3 open ended questions. Also, in case of rejections more than 15%, we would be needing raw data from your end.**

Thanks & Regards
